## Sharing Success Grant Program

On November 13, 2019 the Lovington EDC was awarded \$5,000 from the Sharing Success Grant, a partnership between Lea County Electric Cooperative & CoBank in order to build more vibrant rural communities and shared success. The Lovington EDC will use the funds to create a new Community Guide that will include: Population Projections, Climate, Labor Force, Workforce Development, Industry, Largest Employers, Job Growth, Building Costs, Incentives, Healthcare, Entertainment and Leisure.

## Census 2020 Workshop!

The Census is right around the corner! We want to make sure everyone is counted. If you reside in LEA COUNTY for 51% of the time you count here. Join us as we go over the application and answer questions or concerns! The census helps determine how federal funding is spread throughout states and communities. It also helps establish a population count for grants and new businesses.
